

March 30, 2011

Dear Pool Owner,

It's that time of year again to start thinking about backyard fun. With spring here and summer just around the corner we are currently scheduling our 2011 openings.

To be sure that your pool is opened correctly and in a timely manner please follow these pool opening guidelines:

- 1) Have all water pumped off of your pool cover
- 2) Have power turned on to your pool equipment
- 3) You are responsible for filling your pool with water to the middle of the skimmer. This does not have to be done before opening, but is highly recommended.
- 4) We will load and set your chlorinator with YOUR chlorine tabs – if applicable. (please have your chlorine tablets available by your equipment pad)
- 5) We will sweep your pool – not vacuum
- 6) Your pool will be super-chlorinated (shocked)
- 7) Please unlock gates to pool area for easy access of our technicians
- 8) All checks must be received in advance to schedule your opening.

Rates for 2011 openings are as follows:

Pool Only:	\$500.00
Pool and Spa:	\$550.00

Please fill out the enclosed pool opening form and mail it along with your payment. Your prompt attention to this matter will ensure your pool is opened in a timely manner and ready for another fun filled pool season!

We are looking forward to another great pool season and we hope you have a summer filled with lots of fun!

Sincerely,
