SMART Color Range

If you're looking for something different than the standard composite fiberglass pool — something a little bit special — then this is the color range for you!

Each color within the Leisure Pools® SMART range include a built-in sparkle that sets off an added brilliance and shimmer effect. No matter what color you choose, when the light shines over your Leisure Pool®, it will appear to have millions of diamonds scattered across the pool surface.

The Leisure Pools® SMART Color Range not only looks beautiful, but also has excellent UV, blister, and chemical resistance, and is backed by the largest supplier of gelcoats for the swimming pool industry.
